

General Assembly

Amendment

February Session, 2002

LCO No. 3656

SB0054003656SD0

Offered by:
SEN. HARP, 10th Dist.

To: Subst. Senate Bill No. 540

File No. 212

Cal. No. 165

"AN ACT CONCERNING CHILD CARE LICENSORS."

1 Strike lines 59 to 61, inclusive, in their entirety and insert the
2 following in lieu thereof:

3 "in early childhood education, child development, elementary
4 education, human services, psychology, sociology, or a related field
5 that includes at least twelve credits in courses related to early
6 childhood education or child development, or be currently enrolled in
7 such a baccalaureate degree program, provided the employee has
8 completed a minimum of forty-eight credits and shall have not less
9 than a total of six years combination higher education and work
10 experience providing professional child care services with
11 involvement in program development and operational policy or a
12 Child Development Associate (CDA) or associate's degree in child
13 development, elementary education, human services, psychology,
14 sociology, or a related field that includes at least twelve credits in
15 courses related to early childhood education or child development,
16 with not less than four years of experience providing professional

17 child care services with involvement in program development and
18 operational policy. These qualifications shall only apply to staff hired
19 on and after October 1, 2002."

20 Strike lines 141 to 147, inclusive, in their entirety and insert the
21 following in lieu thereof:

22 "(e) All persons employed by the Department of Public Health to
23 conduct family day care home inspections as provided in subsection
24 (b) of this section shall have attained, as a prerequisite to conducting
25 such inspections, a baccalaureate degree in early childhood education,
26 child development, elementary education, human services,
27 psychology, sociology, or a related field that includes at least twelve
28 credits in courses related to early childhood education or child
29 development, or be currently enrolled in such a baccalaureate degree
30 program, provided the employee has completed a minimum of forty-
31 eight credits and shall have not less than a total of six years
32 combination higher education and work experience providing
33 professional child care services with involvement in program
34 development and operational policy or a Child Development Associate
35 (CDA) or associate's degree in child development, elementary
36 education, human services, psychology, sociology, or a related field
37 that includes at least twelve credits in courses related to early
38 childhood education or child development, with not less than four
39 years of experience providing professional child care services with
40 involvement in program development and operational policy. These
41 qualifications shall only apply to staff hired on and after October 1,
42 2002."
